Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Frost Arts and Crafts Workshop: Dayton, Ohio; Catalogue 82 The Beginning was humble enough. A small one-story frame building on the rear end of a lot in a quiet residential portion of the city. A right comfortable place to work, with plenty of windows along the south side, a good place to potter around at odd times, on Saturday afternoons, half holidays, and rainy evenings, spending the time fashioning from metal or wood, various useful articles of unusual design. That was three years ago, when two or three of us spent many happy hours working out various ideas which came to mind, working for pleasure rather than for profit. By and by there came a demand for the things we produced, friends and neighbors visited the shop from time to time, and besought us for some particular piece which happened to appeal to them. One day we made the acquaintance of a young man who traveled from city to city and sold various art wares to the leading art dealers.
